

Caroll's Bread Pudding

500 g Bread,
 500 ml Milk,
 300 g Dried Fruit,
 100 g Finely chopped nuts (Optional),
 2 Eggs,
 100 g Marg, or Butter melted, or coconut oil,
 50 g Soft Brown Sugar,
 1tsp Mixed Spice,
 Caster Sugar for decoration.

**Method**

- 1) Preheat oven to 180degrees, Gas Mk 4, Line a 20 cm/8" tin.
- 2) Soak Bread chopped up in a mixing bowl with milk for 15 mins
- 3) Add rest of ingredients and mix together thoroughly, it will be quite sloppy!
- 4) Bake for approx. 1 Hr 10mins until firm and Golden.
- 5) Remove from oven, and leave to cool in tin. When cool sprinkle with Caster Sugar and cut into squares whilst still warm.

Thanks for your recipe Caroll they look delicious

Welcome to this, the first edition of your brand new, revived Felixstowe Horticultural Society Newsletter.

In a moment of weakness, I agreed to edit your new newsletter, but please remember that editing means that I will rely on contributions from you the members so that I can compile something that is of interest to you all. We have about 80 members, so amongst you all there must be some of you who could let me have interesting articles, photos, quotations, etc, that we would all like to read.

I am sitting here in late January still recovering very slowly from my broken leg, itching to get outside and start gardening again, although the weather has been so cold and gloomy lately that I think that I am probably in the best place. There are however, jobs that we can all do, like sowing some early vegetables under glass, chitting early potatoes, and planning what bedding plants we will need for hanging baskets.

Outside the window I can see the first flowers of Witch hazel glowing in the gloom, and snowdrops are beginning to open their petals. Spring will, I am sure, soon be with us; -I hope .

Please remember that when you are potting up your seedlings or dividing your plants to save a few extras for sale at the OFCA Summer fair to be held on the 9th June.
